

## Week overview

|       | Sunday,<br>29. Mar 2020 | Monday,<br>30. Mar 2020    | Tuesday,<br>31. Mar 2020   | Wednesday,<br>01. Apr 2020 |
|-------|-------------------------|----------------------------|----------------------------|----------------------------|
| 8:00  |                         |                            |                            |                            |
| 9:00  |                         | Registration               | Welcome<br>Plenary Lecture | Welcome<br>Plenary Lecture |
| 10:00 |                         | Welcome<br>Plenary Lecture | Oral                       | Oral                       |
| 11:00 |                         | Plenary Lecture            | Break                      | Break                      |
| 12:00 |                         | Oral                       | Oral                       | Oral                       |
| 13:00 |                         | Break                      | Break                      | Break                      |
| 14:00 |                         | Plenary Lecture            | Plenary Lecture            | Plenary Lecture            |
| 15:00 |                         | Oral                       | Oral                       | Oral                       |
| 16:00 |                         | Break                      | Social                     | Award                      |
| 17:00 | Registration            | Oral                       |                            | Others                     |
| 18:00 |                         | Award                      |                            |                            |
| 19:00 |                         |                            | Laudatio                   |                            |
| 20:00 | Social                  |                            | Social                     |                            |
| 21:00 |                         |                            |                            |                            |
| 22:00 |                         |                            |                            |                            |

# Overview: Sunday, 29. Mar 2020

## Overview: Monday, 30. Mar 2020

|       | Room 1   | Room 2   |
|-------|--|--|
| 8:00  |  |  |
| 9:00  | Registration   | Registration   |
|       | Wel – Welcome - M. Brune (DVM)                       | Wel – Welcome - M. Brune (DVM)                       |
| 10:00 | PL-01 – Opening / Plenary Lecture by Matthias Decker | PL-01 – Opening / Plenary Lecture by Matthias Decker |
|       | PL-02 – Plenary Lecture by Thierry Palin-Luc         | PL-02 – Plenary Lecture by Thierry Palin-Luc         |
| 11:00 | A – Vibration Fatigue                                | B – Welding and Riveting                             |
| 12:00 |  |  |
| 13:00 | Break  | Break  |
| 14:00 | PL-03 – Plenary Lecture by Klaus Dreßler             | PL-03 – Plenary Lecture by Klaus Dreßler             |
|       | C – Load Spectra (1)                                 | D – Commercial Vehicles & Transport                  |
| 15:00 |  |  |
| 16:00 | Break  | Break  |
|       | E – Load Spectra (2)                                 | F – Fatigue Assessment                               |
| 17:00 |  |  |
|       | Ernst-Gassner-Award - Laudation                      | Ernst-Gassner-Award - Laudation                      |
| 18:00 |  |  |
| 19:00 |  |  |
| 20:00 |  |  |
| 21:00 |  |  |
| 22:00 |  |  |

## Overview: Tuesday, 31. Mar 2020

|       | Room 1   | Room 2   |
|-------|--|--|
| 8:00  |  |  |
|       | Wel – Welcome - M. Decker                      | Wel – Welcome - M. Decker                      |
| 9:00  | PL-04 – Plenary Lecture by James Newman        | PL-04 – Plenary Lecture by James Newman        |
| 10:00 | G – Fracture Mechanics                         | H – Welding                                    |
| 11:00 | Break  | Break  |
| 12:00 | I – Integrity Concepts                         | J – Multiaxial Loading (1)                     |
| 13:00 | Break  | Break  |
| 14:00 | PL-05 – Plenary Lecture by Jan Papuga          | PL-05 – Plenary Lecture by Jan Papuga          |
| 15:00 | K – Influences on Fatigue                      | L – Probabilistic and Energy Based Methods     |
| 16:00 |  |  |
| 17:00 | DS-S – Donges Steeltech / Sightseeing          | DS-S – Donges Steeltech / Sightseeing          |
| 18:00 |  |  |
| 19:00 | DVM-Honorary Membership – Laudation: J. Newman | DVM-Honorary Membership – Laudation: J. Newman |
| 20:00 |  |  |
| 21:00 | Conference Dinner Weststadt Bar                | Conference Dinner Weststadt Bar                |
| 22:00 |  |  |

## Overview: Wednesday, 01. Apr 2020

|       | Room 1   | Room 2   |
|-------|--|--|
| 8:00  |  |  |
|       | Wel – Welcome - R. Heim  | Wel – Welcome - R. Heim  |
| 9:00  | PL-06 – Plenary Lecture by Ali Fatemi  | PL-06 – Plenary Lecture by Ali Fatemi  |
| 10:00 | M – New Materials  | N – Multiaxial Loading (2)   |
| 11:00 | Break  | Break  |
|       | O – Fracture Mechanics and Defects   | P – Overloads  |
| 12:00 |  |  |
| 13:00 | Break  | Break  |
| 14:00 | PL-07 – Plenary Lecture by Sebastien Chereau   | PL-07 – Plenary Lecture by Sebastien Chereau   |
| 15:00 | Q – Digitization   | R – Special Loading Conditions   |
| 16:00 | JA-CR – Junior Awards / Closing Remarks  | JA-CR – Junior Awards / Closing Remarks  |
| 17:00 | Meeting – Meeting of the Scientific Committee and Meeting of the Editors of the Special Issues | Meeting – Meeting of the Scientific Committee and Meeting of the Editors of the Special Issues |
| 18:00 |  |  |
| 19:00 |  |  |
| 20:00 |  |  |
| 21:00 |  |  |
| 22:00 |  |  |
